

## Summer Term is Upon Us...

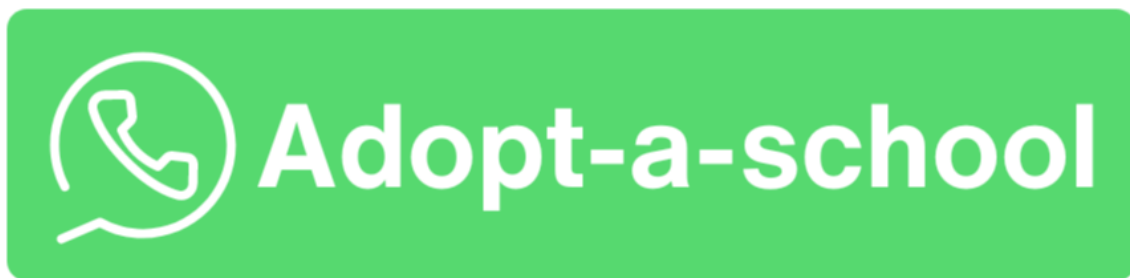

### Bring on a great term!

We're coming in to this term hot and fast and ready to go:

We're looking forward to more wonderful times of worship with the children and staff, thoughtful workshops and lessons with students, and bigger & better plans for reaching out in Jesus name.

Please pray for:

- The powerful and life changing impact of the Spirit in Children's lives
- The continued enthusiasm for prayer and Bible stories in Fun Club
- Good plans for developing outreach in Tonbridge
- The new 'Adopt-a-school' initiative

We are really keen that every school is supported by local Christians and we would love to develop a network of prayer through the power of WhatsApp. We would love to see simple prayer groups/chains set up - each one dedicate to the prayerful support of a school that is close to your heart: Sharing prayer needs and news.

WhatsApp is a low-demand, high-impact platform for making a difference in and around Tonbridge and we think we can use it better for God!

Click below and join in with this easy initiative that will make a big difference!...

School visits this term

### *After Easter...*

Assembly time has focused on what I think is my favourite story in the Bible: The Beach Breakfast. Not only a beautiful moment of redemption, but a poignant and powerful reminder that one can never go back, only forward to Jesus' invitation...

This assembly has already brought a child to tears(!) and I am so enjoying sharing a powerful story with the children.

### *Escape from School*

We've got a whole new transition workshop coming up for the year 6 pupils as they prepare for secondary school.

This year we've designed an Escape-room style workshop full of support and biblical wisdom for the big kids stepping on in life...
